Associate  
Podiatrist

## Associate Podiatrist

**Chiopody.co.uk is part of the Tx Group, a privately owned network which provides health and education therapy services in the North West of England.**

Chiopody.co.uk is a leading provider of private podiatry/ chiropody care, treating a wide range of complaints related to the foot and lower limb. We offer immediate access to our services and work as part of a multidisciplinary team of professionals to ensure the best possible care is delivered to all our patients in a comfortable and welcoming setting.

The Podiatrist will join our team on an associate basis and will primarily be based in our central Liverpool (Speke) clinic, however will occasionally attend home visits. Day to day duties will include managing your own caseload and providing routine podiatry treatments, nail surgery, cryotherapy and PACT antifungal therapy to clients. Working hours can be arranged around existing commitments and we anticipate hours will be available for clinics 2-3 days per week. Due to the possibility of home visits, it would be preferable if applicants could drive and have access to a car.

### Apply now

We always put patients at the  
centre of everything we do

## What does it take to be successful in this role?

To be successful in this role you would need to:

- Be motivated by making a difference to the lives of your clients.
- Provide a consistently high standard of consultations and treatments.
- Build a strong rapport with your clients and the professionals you work alongside.
- Practice with a holistic, evidence based approach.
- Have impeccable communication skills in order to provide clear advice and support to clients and team members.
- Work well both independently and as part of a multidisciplinary team.
- Be flexible in your approach and adapt to a variety of circumstances and requests, according to needs.
- Act as a champion for Chiropody.co.uk.

We provide immediate access to  
specialist podiatry services

## The ideal candidate

The successful applicant must meet the following requirements:

- BSc Hons Podiatry (2:2 and above)
- HCPC Registered
- SCPOD registered
- At least two years' experience working as a podiatrist
- Competent in the use of local anaesthetic

Our ideal candidate will be a personable and confident podiatrist with extensive clinical knowledge and the skills to independently treat a wide range of podiatry complaints. They will be specifically trained in CPR and anaphylaxis, committed to CPD and willing to take on new challenges.

The successful candidate will have excellent communication skills and be capable of creating a good rapport with clients, as well as good working relationships with other multidisciplinary team members. They will be reliable, flexible, highly organised and able to prioritise their workload appropriately.

## Why us?

At Chirobody.co.uk we believe that looking after our employees and providing them with an enjoyable working environment is an important aspect to a successful organisation. If you are successful in this application process, you will be able to enjoy:

- Working for an innovative company that puts its clients' needs first
- Being part of a supportive team
- Immediate access to multidisciplinary team support
- Regular staff events
- Working for a flexible employer
- Recognition
