Paediatric
Physiotherapist

Paediatric Physiotherapist

Physio.co.uk are a private physiotherapy practice with a portfolio of health and physiotherapy clinics located around the North West of England, based in Greater Manchester, Cheshire and Merseyside.

We are an ambitious company, seeking to further expand and offer a greater depth of services, thereby reaching a wider clientele.

We are looking for an additional Paediatric Physiotherapist to join our growing team. Our philosophy is patient-centred and we are committed to providing the highest standard of care to every patient we treat, helping our patients achieve their goals in a professional, caring, safe and supportive environment.

We always put patients at the
centre of everything we do

What does it take to be successful in this role?

To be successful in this role you would need to:

- Continuously provide an exceptional standard of evidence based treatments for your client base.
- Possess great communication skills in order to build rapport with children, families and professionals.
- Demonstrate commitment to CPD and keep up to date with new treatment techniques.
- Be motivated and enthusiastic about continually developing and shaping an expanding service.
- Act as a champion for the service.
- Assist with training of junior team members and recruitment of staff.

We provide immediate access to
specialist physiotherapy services

The ideal candidate

The successful applicant must meet the following requirements:

- Diploma / Degree / Masters degree in Physiotherapy
- Member of CSP
- HCPC registration

Our ideal candidate will be a confident autonomous practitioner who has a passion for working in paediatrics and experience of working at a post-graduate level. They will be capable of working independently, prioritising and organising their own workload appropriately and able to use their initiative to deal effectively with a varying situations that may arise.

The successful applicant will possess exceptional clinical skills, along with a strong foundation of verbal and written communication in order to facilitate the delivery of the highest quality evidence based treatment to our patients. They will be of a personable nature, passionate about CPD and keen to share their knowledge and experience with others. As an aspect of the role will incorporate service development, the successful candidate will also need to have excellent computer skills and a good eye for detail.

Why us?

At Physio.co.uk we believe that looking after our employees and providing them with an enjoyable working environment is an important aspect to a successful organisation. If you are successful in this application process, you will be able to enjoy:

- a performance based bonus, which is paid twice annually.
- working for a forward thinking company
- regular staff events.
- training and career development
- recognition
